Student Housing Questionnaire

(Español en la parte posterior de esta página)

Dear Parent/Guardian,

Funds are available to help students who are in temporary living situations because of loss of housing, economic hardship or a similar reason. Students who qualify are eligible for immediate enrollment in school, without providing the normally required documents. Funds may be used to provide school uniforms, supplies and other academic related needs required to succeed in school. Please complete the information below and return it to your child's school to help us determine who qualifies for assistance. Funding is based on the student's/family's eligibility under the McKinney-Vento federal law.
