## WELCOME FROM THE PRINCIPAL

Welcome to the 2020 – 2021 school year. Mosley is a great school filled with wonderful teachers and staff as well as super students! We consistently achieve “A” or “B” status as measured by the Florida Department of Education and it is because of hard work on the part of you and the Mosley staff.

This handbook is to help you become familiar with or reminded of much of the information you need to be a successful student. Please read it and abide by the rules and policies. As a high school student, the responsibility to follow these policies rests with you. I am certain you will do your very best in this area.

I would also like to encourage you to get involved with your school either with extra-curricular or co-curricular clubs, sports, drama, art and/or music programs. Being involved makes you a better-rounded student academically, socially and physically.

I wish you a great year filled with wonderful memories of A. Crawford Mosley High School. The future is yours; make it everything it can be. And remember, “Being a Dolphin is a Lifestyle!”

Go Dolphins!

Brian Bullock  
Principal

## A MESSAGE FROM THE SGA PRESIDENT

Hi everyone, my name is Lillian Walker and I will be your Student Government President for the 2022-23 school year. I am extremely excited for everything that is to come in this school year and all of the memories that are to be made. I hope as the student leader of Mosley I will be able to take student ideas and help them come to life, making this the most unforgettable year yet.

A little bit about myself, I love spending time with my friends and family at our lake house and on the boat. My go-to hobby is shopping, and I do it quite frequently. Additionally, I am a nanny for two little kids and love hanging out with them.

Now that you have a little bit of a look into my life, I hope to get to know everyone else a little better as we go through our school year.

## **ACADEMIC HONESTY**

A. Crawford Mosley High School regards academic honesty as a cornerstone of its educational mission. It is expected that all schoolwork submitted for the purpose of meeting course or class requirements represent the original efforts of the individual student. Administration, faculty, students and their families are all important contributors to the upholding of this academic integrity in our school community. To this end, it is important that all involved understand their integral role in helping to promote this climate of academic honesty. All forms of academic dishonesty will make a student subject to disciplinary action per the Bay District Schools Discipline Matrix.

## **STUDENT CODE OF ETHICS**

I will respect the rights, privileges, property and beliefs of others.

I will follow the principles of good sportsmanship in all my activities.

I will avoid any deed or habit that will harm or degrade me mentally, morally, physically or spiritually.

I will observe all rules of safety for myself and for others, being especially careful when I am the driver of an automobile.

I will support, to the best of my ability, all school activities and other activities to which I am obligated.

I will judge people by their individual worth rather than by race, class, or creed.

I will make an honest effort to take advantage of the opportunities offered to me in education.

I will be honest with myself and with others.

I will conduct myself at all times in such a manner as to be a credit to myself, to others, and to my school.

I believe that the reputation of Mosley High School and our student reputations are one. We are a team. We all share in any honor that falls to one of us.

## **GUIDANCE SERVICES**

The Guidance Department offers many services to our students, including academic and personal counseling, college and career information, registration, scheduling, testing, and scholarship assistance. Dollars for Dolphins, a scholarship newsletter, is available on the scrolling announcements and the guidance office.

### **REGISTRATION, SCHEDULE CHANGES, AND WITHDRAWAL FROM MOSLEY**

Registration for classes, schedule changes, and withdrawals from school are handled by the guidance office. All textbooks, library books, and school materials must be returned before guidance can forward student records to another school.

### **SENIOR EARLY GRADUATES**

Students who meet the requirements may become a graduate in fewer than four years in grades 9-12. Information may be obtained from your counselor in the Guidance office. This option prohibits students from participating in **ALL** school activities/trips (including Grad Bash and prom) and from receiving school and district awards/honors. Mid-year graduates may elect to participate in senior recognition day and graduation.

### **TECHNICAL PROGRAMS**

Students may attend a HALF DAY at Haney Technical Center their junior and/or senior years and receive a Mosley High School diploma. To attend, a student must meet all requirements for grades 9, 10, and 11 as listed in the Pupil Progression Plan. For more information, see your guidance counselor.

### **EARLY ADMISSION TO COLLEGE**

Any fourth year senior who wishes to take advantage of the full-time Early Admission to College opportunity during his/her senior year must have fulfilled all requirements listed below and have completed an application requesting permission to participate. This application can be obtained from your counselor in the Guidance office. The student will be allowed to participate in prom, Grad Bash, senior recognition day, and graduation, but will be prohibited from participating in any other school clubs where school day attendance and projects are a contingency of membership (including holding a club office position), school activities (including homecoming court) and school day awards ceremonies. Any senior contemplating Early Admission should consider the potential impact of this decision on Florida Academic Scholar, Florida Medallion Scholar, Gold Seal Scholar, and other scholarships and awards. **To participate in graduation, a student must have fulfilled all graduation requirements and be in attendance at Senior Recognition.**

To qualify for early admission, a student must:

1. have passing scores on state-mandated assessments or concordant score;

2. have a composite score of 26 on the ACT or 1170 on the SAT;
3. have a 3.5 grade point average on a 4.0 scale;
4. have earned 20 credits including all required courses except senior English and/or Economics/American Government;
5. be approved by his/her high school principal;
6. be accepted by an accredited college;
7. have completed accelerated graduation form signed by the parents;
8. be approved by the School Board; and
9. have completed two (2) years of instruction above grade 9.

Students in the Early Admission to College program may be awarded a diploma with their regular class:

1. if the student has completed two (2) college semesters or equivalent with a normal class load (12 semester hours each semester) including six (6) semester hours of English, three (3) semester hours of both Economics and American Government,
2. if the student maintains at least a 2.0 grade point average or equivalent, and
3. if the student's cumulative folder shows adequate notations covering the work accomplished while in college.

### **EARLY ADMISSION TO HANEY TECHNICAL CENTER**

Any fourth year senior who wishes to take advantage of full-time dual enrollment at Haney Technical Center during his/her senior year must obtain permission from his/her guidance counselor. The student will be allowed to participate in prom, Grad Bash, senior recognition day, and graduation, but will be prohibited from participating in any other school clubs where school day attendance and projects are a contingency of membership (including holding a club office position), school activities (including homecoming court) and school day awards ceremonies. Any senior contemplating Early Admission should consider the potential impact of this decision on Florida Academic Scholar, Florida Medallion Scholar, Gold Seal Scholar, and other scholarships and awards. **To participate in graduation, a student must have fulfilled all graduation requirements and be in attendance at Senior Recognition.**

### **TRANSCRIPTS**

Most colleges require a student to send a transcript (copy of your student grades) when applying for admission. The Guidance office will mail a transcript for a *current* student to the college of his/her choice at no charge. If a *former* student needs a transcript, there will be a \$3.00 charge per transcript, payable in advance. A minimum of three days' notice is requested.

## **CURRICULUM/SPECIAL PROGRAMS**

Mosley High School offers a comprehensive and challenging educational curriculum. Special programs in Honors, Advanced Placement, and Dual Enrollment are offered along with career academies for students with special interests. The college preparatory program at Mosley (MAPPS) provides students with a strong academic curriculum and at the same time recognizes individual talents and special interests. MAPPS students take Honors, Dual-Enrolled, and Advanced Placement courses as part of a

balanced liberal arts curriculum. Our Advanced Placement and Dual Enrollment courses offer students an opportunity to earn college credit while still enrolled in high school. See your guidance counselor for a current list of Mosley's Advanced Placement and Dual Enrollment courses.

### **HONORS, ADVANCED PLACEMENT & DUAL ENROLLMENT**

Honors courses carry an additional (.5) credit quality point while Dual Enrollment and Advanced Placement courses carry an additional (1) credit quality point. Honors, Advanced Placement, and Dual Enrollment classes in English and Social Studies may require summer reading as preparation. Lists are available each spring when application to these programs is made. Placement in all special programs and courses requires an application and parent permission, as well as teacher approval. PERT (Postsecondary Education Readiness Test): Most Dual Enrollment courses require PERT scores in Reading, Writing, or Math. Consult your guidance counselor for course specific information prior to registering.

### **NEW /MAKE-UP /TRANSFER CREDIT**

Students may earn new credit during the summer or additional credit during the regular school year through Dual Enrollment courses and Bay/Florida Virtual School. Administrative permission must be obtained **BEFORE** students begin such programs. Sources for make-up credit are Bay/Florida Virtual School or Rosenwald High School. Students who fail a course may also request placement in that same course during another term of the regular school year; however, space availability and scheduling conflicts may not allow this option. Students who withdraw from Bay District high schools and enter other educational institutions may transfer no more than ten (10) credits per year (August-August) with a maximum of 5 credits per semester when re-entering Bay District schools. Credits from accredited schools will be accepted at face value, but credit from non-accredited institutions will be validated on the basis of student performance standards, with the principal's approval. In order to receive a diploma from Mosley High School, a student must be enrolled in Mosley for the last nine (9) weeks of the senior year.

### **INTENSIVE READING COURSES**

According to Bay District policy, students who do not pass the reading portion of the ELA FSA exam must receive reading remediation. The length and intensity of the reading course will be determined by the student's reading achievement level.

### **GRADE FORGIVENESS**

Any course in which a student makes a D or F may be taken over during the regular year to improve his/her GPA if space is available and scheduling permits. **The new grade will be used in lieu of the original grade to compute the GPA.** The original grade must remain on the record. Credit may not be earned twice for the same course. To compute the GPA, a student must use all unduplicated courses. If the GPA is less than 2.0, the student may drop elective courses (above 25 credits) with the lowest grades from the calculation of GPA.

### **REPORT CARDS AND GRADES**

Computer grade reports will be issued at the end of each 9 weeks to all students. The number of tardies and absences will be included in the report. The grading scale, established by the state, determines

numerical values for grades. Term grades are final. One-half credit will be granted for each term course passed.

A = 90 – 100    B = 80 – 89    C = 70 – 79    D = 60 – 69    F = 0 – 59

### **PARENT PORTAL**

From the Bay District Schools website, parents are able to view information regarding student progress including grades, attendance, discipline, test scores, schedules, and other details that are critical to student success. While the information that can be provided is somewhat limited, the data here provides a valuable tool for parents to monitor their children's activities while in school. The site can be accessed at [www.bay.k12.fl.us/parent-portal](http://www.bay.k12.fl.us/parent-portal)

### **ACADEMIC LETTERS AND HONORS**

Students are honored in the spring for outstanding academic achievement based on the weighted GPA for the first semester of the current school year. Students who maintain a 3.0 or higher weighted GPA receive an academic certificate. Students who maintain a 3.5 or higher weighted GPA receive an academic letter (or a bar to add to the letter if already earned). Students with a 4.0 weighted GPA receive a medallion or other award. In order to receive an academic honor or letter, a student must be enrolled in the school as a regular, full-time student at the time of the presentation.

### **EXAM POLICY**

All students in grades 9-12 must take term exams. The exam will count 1/7 of the final grade. Alternative examination provisions may be made for exceptional students.

### **ADVANCED PLACEMENT EXAM POLICY**

Advanced Placement courses are designed for students to earn college credit. Students are required to take AP exams during the same school year as they complete the high school AP course requirements. AP course credit may not be issued to a student's high school transcript until verification of participation in the corresponding AP exam. Students who complete an AP course and do not sit for the AP exam may be awarded the high school equivalent of the course and not receive the weighted AP credit.

### **A NOTE FROM THE MOSLEY ADMINISTRATION REGARDING DRESS CODE**

**Award Ceremonies:** Periodically students will be permitted to “dress up” for awards ceremonies and other appropriate functions at school. “Dressing up” means wearing business/professional and modest attire to include appropriate footwear. If students choose to dress up on permitted days, boys should wear button-down collared shirts and dress pants (no jeans). Girls should wear sleeved dresses, tops (no tank tops, spaghetti or strapless) with skirts or pants (no jeans). Dresses and skirts must adhere to the dress code policy in terms of length. “Dressing up” includes shoes with closed toes and closed backs. Students violating this policy may receive discipline as outlined in the above listed consequences. Disciplinary action may cause a student to miss part or all of award ceremonies and/or school functions. Students who are unable to replace out-of-dress-code clothing items prior to the commencement of the ceremony or school function will likely miss the ceremony or school function.

**Field Trips:** The *Student Uniform and Grooming Policy* will be followed for ALL field trips.

**Testing:** Students involved in AP Testing or other exams that require school leave must adhere to the *Student Uniform and Grooming Policy* at all times.

**Athletics:** Students who are “dressed out” for physical education courses on the MHS campus should remain in designated areas only and avoid the main campus. Gym attire is for P.E. only.

**Confiscated Clothing:** Administrators may confiscate articles of clothing that violate the policy (e.g. a sweatshirt that is not school approved). The clothing will be stored in the office for two weeks and released to parents or guardians only. Unclaimed articles will be donated at the end of every school year.

## **STUDENT RIGHTS AND RESPONSIBILITIES**

Students are expected to attend school regularly, punctually, and to devote their energies to learning, under the supervision of the total school staff.

Students are expected to assume responsibility for knowing and observing school rules and state laws which govern student conduct, including the obligation to respect others and the property of others.

### **SCHOOL FACILITIES: INDIVIDUAL USE AND ORGANIZATIONAL USE**

Any student will be allowed to enter the building for the use of the library, for conferences with teachers, or to participate in school-sponsored activities before and after school. Students are allowed in classrooms before school with teacher permission. Immediately after classes conclude, students are expected to leave the campus unless involved in such activities.

All visitors to Mosley High School must check in at the main office. Visitors may not attend classes unless they have received administrative approval. Due to liability reasons, students are strictly prohibited from bringing family members or friends to school with them. Any student enrolled and attending any school in Bay County is prohibited from entering the premises or grounds of another school without specific authority of the principal of the school in which he is enrolled. Violation of this policy may result in suspension or expulsion.

**Food or drink shall not be brought or consumed in the classrooms or hallways, but must be confined to the cafeteria, the Commons area, or outside eating areas.**

Classes or student organizations may use school facilities without charge. A member of the faculty must be present with the group and must assume responsibility for supervision of the students and care of the facilities. An organization not complying with this policy will be subject to suspension from the roll of school organizations.

### **HALL PASSES**

At times other than before and after school, students may not be out of class or their assigned area without a hall pass signed by a teacher. The pass should indicate the date and the time issued.

### **LUNCH POLICY**

**At MHS, only seniors will be allowed to leave campus for lunch.** Students must have a written notarized parent/guardian authorization form on file before they are allowed to leave campus for lunch. Juniors, sophomores, and freshmen are not allowed to leave campus or check out with anyone other than a parent or guardian for lunch. Violation of this rule may result in disciplinary action. Lunch badges may be revoked for more than three unexcused absences in a month, F's in core classes, or OSS for any reason.

## STUDENT GOVERNMENT MEETINGS

Students will be on leave from class for SGA meetings and must assume responsibility for making up work from classes missed due to meetings. Failure to make up work may be grounds for removal from office. Teachers will not prevent students from attending meetings if they have met their obligations. **Responsibility for make-up work is a student (not teacher) responsibility.**

## TEXTBOOKS AND DEFICIENCIES

Textbooks used at Mosley are state adopted. Textbooks are charged to the school and must be accounted for on a yearly basis. Students are responsible for care of textbooks issued to them and must reimburse the school for lost or damaged books. **As of 2009 legislative changes, 100% of the item cost is recoverable regardless of years of use.**

Prior to term exams, each teacher will submit textbook deficiencies to guidance and notify students of the necessity to clear such deficiencies. Textbooks will not be issued to any student who has not paid for lost books. **In addition, students who have not cleared textbook deficiencies will not be issued parking permits until textbook deficiencies have been cleared. Any student who has a deficiency will not be issued a report card or a senior diploma at the end of the year until the deficiency has been cleared.** Textbooks for students who have withdrawn should also be submitted to the guidance office.

## LOCKERS

Lockers assigned to students are public school property. Therefore, the school administrators reserve the right to inspect a locker at any time there is a reasonable suspicion that the student has possession of illegal items or property that does not belong to him/her. Students are to use their assigned lockers only. Sharing without authorization is not permitted. Students are not permitted to “jam” or “rig” their lockers so as to disengage the locking mechanism. Any and all damage caused to a locker because a student does this or has this done by someone else will be the financial responsibility of that student. Locker doors are not to be slammed, kicked, marked, scratched, or have materials pasted on them.

## LIBRARY USE

The Marvin McCain Technology Center is the media center/library for Mosley High School. **The library will be open for student check-out sometime after the first week of school.** Students may use the library before school, during lunch, during class periods with a signed pass from a teacher, and after school, as well as at times when his/her entire class is scheduled by a teacher. Students may be required to show their identification cards or drivers' licenses before checking out materials. Books from the general collection may be checked out for a period of three weeks. Reference books, reserve books, and vertical files may be checked out overnight. These may be checked out after 2:00 p.m. and must be returned by 7:30 a.m. the following day.

Audio-visual equipment is available for on-campus use. Computers are available for on-campus use by students who can demonstrate basic literacy skills to library staff. Word processing, internet research, and presentation programs are typical software available in our library. A student who has lost or overdue

library books or materials may not be permitted to check out additional materials until the deficiency is cleared.

### **OUT-OF-FIELD TEACHER REQUEST**

Florida State Statute 1012.42 states that a parent whose student is assigned an out-of-field teacher may request that his or her child be transferred to an in-field classroom teacher. A parent may initiate this process by completing an out-of-field request in FOCUS. The parent or guardian will be contacted by the school official responsible for reviewing these requests. All requests will be resolved within two weeks of the date the request is initiated.

### **TELEPHONE AVAILABILITY**

Calls of an **emergency nature** may be made in the Attendance Office with written permission from the student's teacher. Students are expected to use school phones during class changes, not during regular class periods.

### **STUDENT PARTICIPATION IN THE PLEDGE OF ALLEGIANCE**

Florida HB 7029, signed into Law by Governor Rick Scott on April 14, 2016, amended Florida Statute 1003.44 by spelling out requirements. In accordance with the law, upon written request from the student's parent/guardian, Bay District students may be excused from participation in the Pledge of Allegiance.

Updated provisions, effective July 1, 2016, from the FL Statute 1003.44 include:

- When the national anthem is played, students and all civilians shall stand at attention, men removing head coverings except those worn for religious purposes.
- The Pledge of Allegiance is defined:  
**“I pledge allegiance to the flag of the United States of America  
and to the republic for which it stands, one nation under God,  
indivisible, with liberty and justice for all.”**
- The Pledge of Allegiance shall be rendered by students standing with the right hand over the heart.
- The Pledge of Allegiance shall be recited at the beginning of the day in each public elementary, middle, and high school in the state.
- Each student shall be informed by a written notice published in the student handbook or a similar publication pursuant to s. 1006.07(2) that the student has the right not to participate in reciting the pledge. Upon written request by his or her parent, the student must be excused from reciting the pledge, including standing and placing the right hand over his or her heart.
- When the pledge is given, non-exempt students must show full respect to the flag by standing at attention, men removing any headdress, except when such headdress is worn for religious purposes.

If you would like your student to be exempt, please contact the office. They will advise you how to proceed with your written request.

### **ANNOUNCEMENTS**

The administration makes every effort to keep announcements to a minimum. Following the morning televised announcements, information pertinent to students is scrolled continuously on the school ITV system available in every classroom. Students should avail themselves of the opportunity to be informed

through this technology. Student organizations which wish to make announcements should obtain a DTV form from the DTV studio and get the appropriate sponsor signature before returning it for broadcast.

### **LOST AND FOUND**

Students should exercise appropriate care for their personal belongings at school. The school will not violate the right of students to learn by interrupting classes to search for lost or stolen personal items. Students who find articles are requested to take them to student services. Lost articles may be claimed by providing proper identification.

### **P.E. REQUIREMENTS**

Students are required to dress out to participate in PE activities. Students are strongly encouraged to lock their possessions in their gym locker. Locks are not provided by Mosley High School.

### **SCHOOL-SPONSORED ACTIVITIES**

All school or club activities must be chaperoned by faculty members. All club meetings must be held on campus before or after school hours, unless administrative approval has been obtained to do otherwise. Membership in clubs not approved by school authorities is against Florida law for students. Club members who participate in activities which result in disciplinary action will be suspended and the club placed on probation. School time shall not be used for club parties.

### **FUND-RAISING ACTIVITIES**

Each school organization will be limited to three (3) fund-raising projects per year. These projects must be approved by the administration. A request for each activity must be completed and turned in to administration at least two weeks prior to the scheduled fund-raising project. Request forms are available from the main office.

### **OUT-OF-TOWN TRIPS**

**Going on a school sponsored field trip (e.g. sports, Grad Bash, etc.) is a privilege. The faculty and staff reserve the right to deny any student permission to attend any trip based on behavior, discipline, and/or attendance.** Out-of-town activities must be school-sponsored or approved by F.H.S.A.A. A statement from parents, giving consent and assuming responsibility, must be obtained from each participating student. Travel time is limited to hours of 6:00 a.m. to 10:00 p.m., except when traveling by commercial vehicle or school-approved bus transportation. Experienced chaperones must be provided. All trip details must be planned in advance and approved by the principal. There will be no variations from these plans unless the principal is contacted and approval given. All rules and regulations, as well as responsibilities, of both students and chaperones must be explained and assumed by all parties concerned. This should be done at a meeting with the principal or his designee prior to departure.

## STUDENT OFFICES

A student may hold only one of the offices listed below unless permission is obtained from the sponsors of both organizations. While serving in one of the offices listed below, a student may fill no more than one other office not listed during a given school year. In regards to all other offices, a student may hold a **maximum of three**.

Signs and posters displayed on campus must have prior administrative approval before posting.

## WIRELESS COMMUNICATION AND ELECTRONIC DEVICE POLICY

When adhering to the rules listed below, students may possess electronic devices such as, but not limited to, the following: cellular or satellite phones, pagers, tablet computers, laptops, MP3 players, etc. on school property and at school functions.

**Rules concerning use:** 1. May NOT be openly visible; it must be stored in a backpack, purse, locker, vehicle, etc. 2. May NOT be used during **regular school hours**, including lunch and between classes. 3. All electronic devices MUST be turned OFF during the regular school day, including lunch and between classes.

### **Discipline:**

1<sup>st</sup> violation – Confiscation of device and only returned to a **student at the end of the day.**

2<sup>nd</sup> violation –Detention and confiscation of device and only returned to a **parent or guardian.**

3<sup>rd</sup> violation – Two total hours of detention and confiscation of device and only returned to a **parent or guardian.**

**Continued misuse** – Student subject to disciplinary action, as determined by the principal. Storage of a WCD in a student's pocket may subject that student to a search. **Medical emergencies:** The principal, or his designee, may grant permission to use the phone during regular school hours in the case of a medical emergency after appropriate steps have been taken to prove immediate medical need. The **administration** reserves the right to determine what constitutes an emergency. Additional information regarding School Board policy on the possession and use of wireless communication devices can be obtained through the Bay District School Board Office.

**NOTE: Students will bring personal electronic mobile devices to school at their own risk. The district WILL NOT be responsible if a phone or other device is lost, stolen, misplaced, damaged, or**

**confiscated. The district WILL NOT be responsible for virus, malware, or other computer related issues associated with connecting to the BDS network.**

### **BRING YOUR OWN DEVICE (B.Y.O.D) POLICY**

As per Bay District School Board Policy 7.211: “Students may bring their personal electronic mobile devices to school. These mobile devices may be used in the classroom for educational purposes when the teacher deems appropriate and with a signed AUP.”

### **RECORDING OF CLASSROOM ACTIVITIES**

Students are not permitted to photograph, record video and/or audio, or in any other way digitally record any classroom activities without receiving prior permission from the classroom teacher. If caught, students will be disciplined in an appropriate manner.

## **TECHNOLOGY CODE OF ETHICS**

The use of technology is an opportunity extended to students, faculty, and staff to enhance learning, productivity, and information processing. The computer hardware and software at Mosley High School shall be used for educational purposes. The responsibility for appropriate use resides with the student. At school, student access will be under teacher direction and will be monitored as any other classroom activity. The use of computer, related equipment, and software for the purpose of sending or receiving information or images of a prurient nature is expressly prohibited. The District, however, cannot prevent the possibility that some users may access material that is not consistent with the educational mission, goals and policies of the District, since BayNET access may be obtained outside the school setting.

Students who wish to access BayNET (including the INTERNET and Worldwide Web) must complete a Student/Parent-Guardian application which can be obtained from the media center. Users must acknowledge their understanding of the general policy and guidelines as a condition of receiving an account. **Serious violations may result in school disciplinary action or legal action.** Possession of “hacker material” or any software or hardware, etc., which, if used, could disrupt or corrupt any computer or computer system(s) will be cause for discipline, including but not limited to detention, suspension, and/or expulsion. In addition, **criminal charges may be filed.** Students are required to sign in to use the computer lab in the media center, to use their student identification codes to sign-on to computers, and to conform to acceptable use policies of the district. Students may not visit chat rooms, nor load personal software on school computers. In addition, students must provide their own storage devices for saving their work.

## **DRIVING AND PARKING PRIVILEGES**

Driving a vehicle to high school is a privilege, not a right. There are a limited number of parking spaces available; therefore, a student/administration committee developed the following policy and procedures to govern this privilege. Any student driving to school must have a registration form completed and approved to be assigned a parking pass. Driving and parking at school without the proper authorization

may result in disciplinary action. Each student who desires to acquire a parking pass at Mosley High School shall meet the following qualifications:

- Must be a junior or senior before the beginning of the school year
- Pay a \$15.00 fee per year (non-refundable if privilege is revoked)
- Must have a valid Florida Driver's License\* and proof of car insurance (\*Military residents are an exception.)
- Must have a 2.0 cumulative GPA by the end of the previous school year (includes summer school)
- Must maintain a good attendance record with no more than 8 unexcused absences in any class period per semester
- May not have been suspended (in-school or out-of-school for the previous school year)
- Must have cleared all deficiencies (e.g., textbooks, uniforms, club dues and monies, library books, etc.)

If a student does not meet these qualifications, he/she will not receive a parking pass. The SGA officers and senior class officers may receive assigned parking spaces. All other spaces will not be assigned to specific students. Seniors with off-campus lunch passes must park in the designated senior lot in order to be released at lunch.

Any student who receives an in-school or out-of-school suspension during the school year may lose his/her parking pass. Any student receiving a parking pass may lose that privilege for any and all types of disciplinary issues (e.g., suspensions, deficiencies, etc.). An appeal board of students and staff will review appeals. Appeals will be filed for revoked parking only. Appeals must be filed with Student Services by the last Monday of each month in order to be reviewed the following month.

In addition, no student may loiter in or around vehicles in the parking areas. Students shall not occupy vehicles during class hours, between classes, during lunch, or before or after school, except as they arrive and leave for the school day. The principal shall cooperate with law enforcement officers, and any student who receives a citation for a traffic violation while traveling to or from school, or who is known to be operating a vehicle in such a manner as to endanger his/her own safety or that of others may be directed by the principal not to drive a vehicle to school. Any student violating such a directive shall be subject to suspension or dismissal from school.

**If a student fails to observe the procedures herein, the principal may revoke his/her privilege of driving a vehicle to school for an appropriate period of time. Any vehicle parked on School Board property in violation of any procedures outlined herein may be towed at the owner's expense. Violation of School Board policies or rules may result in the loss of a student's parking privilege. All parking spots are distributed on a first-come, first-served basis. Detention will be assigned if students park on school grounds without a permit or park in prohibited areas such as the teacher parking lots and the athletic parking lot located behind the gym. Students may not go to their vehicles during the school day without administrative permission.**

NOTE: Exceptions may be made under conditions as prescribed in the policy written by the parking committee. The administration reserves the right to amend this policy as needed.

## **AUTOMOBILE SEARCH POLICY**

Student lockers, other student storage spaces provided by the school system, **and student vehicles** are subject to search by school authorities at any time, upon reasonable suspicion, for prohibited or illegally possessed substances or objects. *Authority: §1001.41, Fla. Stat., Law Implemented: §§1006.07, 1006.09(9), Fla. Stat., History: New, June 12, 1989, Revised: July 24, 1997; December 10, 2008*

Students who receive parking assignments must be aware of and consent to the Automobile Search Policy in place at this school. *“By entering this area, the person driving any vehicle is deemed to consent to complete search of the vehicle for any reason. Such search may be conducted by school officials or by law enforcement officers at school request. If any person in the car other than the driver is the current custodian of the vehicle, consent to search is deemed given by the custodian also. The area of search will include the entire passenger compartment, engine compartment, trunk and undercarriage, and all containers therein, locked or unlocked.”*

## **ATTENDANCE POLICIES**

### **LEAVE DURING THE SCHOOL DAY**

Before releasing a student from school, the principal or his/her designee shall establish the identity and authority of any individual who seeks the release of a student from school. A student shall be released only to the parents or legal guardians or other person authorized by the parents or legal guardians on the student's electronic registration portal. Should a person other than one authorized by the parents or legal guardians request the release of a student, the principal or his/her designee shall first obtain verbal consent of the parents or legal guardians before releasing the student. In the event that a dispute arises between parents regarding who is authorized to pick up a student from school, the student shall be released only to the parents or legal guardians registering the student for school. It is the responsibility of the Enrolling Parent or legal guardian to maintain current contact information in the electronic registration portal.

Students in grades 9-12 age 18 or older may sign themselves out of school during the regular school day if the school has on file a written, notarized request from the student's parent allowing their student to check themselves out of school. The written request shall include an acknowledgment that the parent understands that the school will not notify the parent of excessive absences or tardiness if they allow their student this privilege. The written parental request may be waived by the principal in the event the principal determines through verification that the student is living on his/her own.

No teacher or other employee of the School Board shall permit or cause any student to leave school prior to the regular hour of dismissal except with the knowledge and approval of the principal or his/her designee.

At the discretion of the principal, the parents/guardians may be asked to physically sign the student out. Parents/Guardians must have a picture ID to prove they have authority to remove the student from campus.

No student may be excused from school during regular school hours in order to take private lessons, except as provided herein.

## ABSENCES

A student who wishes to be absent from school for permissible reasons shall have the verified permission of his/her parents or legal guardians and the approval of the principal. By the next school day after an absence, it shall be the responsibility of the parents/legal guardians to notify the school regarding the reason for each absence that was not pre-approved. The school shall thereafter contact the student's parent or guardian to determine the reason for each unexcused absence or absence for which the reason is unknown. Parents or legal guardians shall be required to justify the student's absence. Justification will be evaluated based on the policy below regarding excused or unexcused absences. The final decision for approval will rest with the school principal. Failure to successfully notify parents will NOT negate the attendance policy.

## EXCUSED ABSENCES

Documentation must be filed with the principal's office within 3 days of the absence. Excused absences may be given for the following reasons:

- Illness of student (Written physician's statement may be required after 5 days absence.)
- Appointments for medical or dental care (Physician's statement required)
- Death in the family or other bona fide family emergency
- Legal reasons
- Religious reasons (Specific policies regarding leave for religious holidays may be obtained at the attendance office).
- School-sanctioned activities
- Approved educational trips
- Pre-approved family leave
- Visits to licensed therapist
- Administrative leave

## UNEXCUSED ABSENCES

Unexcused absences are those absences that are not justified according to this policy by parent or legal guardian. Parents may appeal in writing to the principal for these absences within five days of notification. **In addition, truancy, out of school suspension, expulsion and/or skipping are considered unexcused absences.**

## SIGNING IN AND OUT OF SCHOOL

Students arriving at school after 8:20 a.m. (5 minutes after the opening of school) must report to the attendance office, sign in, and obtain a pass to enter class. Students will not be allowed to leave school during the day except in cases of emergency illness or dental and doctor appointments, and only then with prior administrative approval. Any student will be allowed to check out at any time without prior approval when the parent or guardian comes to the school. Students who do not sign in and out according to procedure could seriously jeopardize an absence appeal. Students may not sign out to leave campus for lunch.

**At the discretion of the principal, the parents/guardians may be asked to physically sign the student out. Parents/Guardians must have a picture ID to prove they have authority to remove the student from campus.**

Further, due to the high rate of absenteeism after the lunch hour, any student who leaves campus during lunch and does not return will be given an **unexcused** absence. In order for the absence to be excused, the parent **must** provide the attendance office with verification of a bona fide emergency or medical reason as to why the student did not return at the specified time. Additionally, if a student is **planning** on not returning after lunch for the purpose of **legal, medical, or dental reasons**, the proper procedure is for students to check out through the attendance office. Failure to do so **shall** also result in an **unexcused** absence. The Principal or his/her designee **shall** have the word in deciding if the absence is excused or unexcused.

**Skipping class is defined by one or more of the following criteria.**

- Failure to check out when leaving school before the end of the official school day
- Absent from class without parent knowledge and/or permission
- Absent from class without teacher knowledge and/or permission

**The teacher's grade book will be the final authority in determining the number of absences for each student.**

### **PRE-APPROVED FAMILY LEAVE**

Requests for family leave must comply with the following:

- The request must be in writing.
- The student must have a C average or higher in all classes for the grading period.
- It must be demonstrated that the leave cannot be taken during school breaks.
- The requested leave cannot be for more than five days per school year and may not be during term exam days.
- The leave form must be turned into the attendance office three (3) days prior to the requested beginning date of leave.

**Administrative probation.** Students with four (4) or more unexcused absences in a **9 week period** shall be placed on Administrative Probation, which shall include denial of participation in extracurricular activities through the end of the current grading period.

**Minimum Attendance.** A student may be in jeopardy of being retained if he/she fails to attend school for at least 160 days in a school year.

## **MAKE-UP WORK**

### **EXCUSED ABSENCES**

Students are expected to make up all work missed during excused absences. A teacher has the prerogative to require a student on school or administrative leave to complete work assigned in advance

prior to the date of the absence. A student making up work missed during excused absences must meet the following conditions:

- The student must contact the teacher on the first day back in school in order to make arrangements to makeup the work.
- **It is the student's responsibility to make-up the work within five (5) school days.**
- All assignments including tests and exams announced in advance of the student's absence must be made up on the day the student returns to school.
- The teacher and/or the principal may grant additional time for making up work if warranted by the individual situation.

## **UNEXCUSED ABSENCES**

Students are responsible for making up all work missed, including tests and exams, during ANY unexcused absence. If the unexcused absence is due to a suspension of one to three (1-3) days, the student must contact the teacher upon the student's return to class to make arrangements to make up within five (5) school days work missed. Parent(s)/ guardian(s) of students suspended for more than three (3) days are responsible for contacting the school by the end of the third day of suspension and obtaining the missed work assignments.

**Unexcused Absences and Driving Privileges:** Each principal or his/her designee shall notify the School Board and the superintendent of each minor in its jurisdiction who accumulates fifteen (15) unexcused absences in a period of 90 calendar days. The superintendent must provide the Department of Highway Safety and Motor Vehicles the legal name, sex, date of birth, and social security number of each minor who has been reported under this paragraph and fails to otherwise satisfy the requirements of Florida State Statute 322.091. Appeals based on hardship waivers shall be the responsibility of the school principal or his/her designee and shall meet the requirements of Florida State Statute 322.091(3). The Department of Highway Safety and Motor Vehicles **may not** issue a driver's license to, and **shall suspend** any previously issued driver's license or learner's driver's license of, any such minor, pursuant to the provisions of this Statute.

### **Procedures for Suspended/Blocked Driver's License**

Listed below are the procedures that must be followed for a suspension or block on a student's driver's license. A license will be suspended/blocked if the student is between 14 and 18 and: the student has 15 or more unexcused absences in any class period within 90 calendar days; or the student drops out of school; or the student withdraws to attend adult education (W26) or another Bay District School (W02) and does not enroll within 3 weeks; or homeschool evaluations are more than 30 days past due.

Once the Department of Highway Safety and Motor Vehicles identifies a student as meeting this criteria, a letter is sent to the parents and students by DHSMV stating that their license is in danger of being suspended/blocked. From the date of this first letter, the parent has **15 days** in which to dispute the unexcused absences with the school or file a hardship waiver. If no hardship waiver is filed within that 15 days, a second letter is sent out by DHSMV giving a specific date of the suspension/block. **If the District Office is not notified within the 15 days, the process continues even if the student's attendance improves.**

In order to have a license reinstated or a block lifted, a student must turn 18 years of age, or:  
Attend school for 30 **school** days without an unexcused absence (beginning the day after the last unexcused absence, excused absences are not part of the 30 days); or  
Attend adult education classes for 6 weeks; or  
Graduate or obtain a GED  
Students must get a completed form HSMV 72870 (10/03) from the District Office and take it to the local driver's license office along with \$35 to have the license reinstated.  
**Letters from the school or copies of diplomas are not accepted by DHSMV.**

## **ATTENDANCE INCENTIVE**

Students in grades 9-12 with perfect attendance including the day of the exam in a term/semester and an average of 85% and above or students in grades 9-12 with no Unexcused Absences and no more than three Excused Absences including the day of the exam in a term/semester and an average of 90% or above may elect to drop a test or project grade that the students has turned in from the current grading period which does not count for more than 1/7 of the student's grade in that class within the current grading period. Additionally, the test grade must be within 20 points of the student's average for the class in order to drop the final exam. School Leave and Religious Leave shall not count as an absence for the purpose of this section.

- Any student placed in in-school or out-of-school suspension during the term/semester shall not be eligible under this policy to drop any test or project grade.
- Any student who has three unexcused Tardies in a class during the term/semester shall not be eligible under this policy to drop any test or project grade.
- Any student who transfers into a District school or a student who transfers from one school to another in Bay County shall not be eligible to drop any test or project for the term/semester of their transfer.

**Administrative Probation:** Students with four or more unexcused absences in a grading period shall be placed on Administrative Probation which shall include denial of participation in extracurricular activities through the end of the current grading period.

**Minimum Attendance:** A student may be in jeopardy of being retained if he/she fails to attend school for at least 160 days in a school year.

## **TARDINESS**

Students are responsible for regular and punctual class attendance. They must be inside the classroom by the end of the ringing of the tardy bell in order not to be considered tardy. The teacher will determine if a tardy is excused or unexcused. Students who are less than 5 minutes late will be given a Tardy. **Students who are more than 5 minutes late to a class or leave more than 15 minutes before the class is over will be given a Late Absence.** The school office will determine if the period of absence is excused or unexcused. Chronic Tardiness/Late Absences will be investigated by a designated school representative.

In order to clarify some misunderstandings as related to Tardies and Late Absences, the following will be followed in regards to disciplinary action.

- When a student has three tardies or late absences, or any combination thereof, the student may be assigned one day of detention.
- On the fourth tardy or late absence, or any combination thereof, the student may be assigned one additional day of detention.
- On the fifth tardy or late absence, or any combination thereof, the student will be considered to have a chronic attendance issue and will be given three days of In-School Suspension.
- For the purpose of this section pursuant to Bay District School Board Policy (Chapter 7, Section 7.104), a grading period shall be defined as the 9-week period which corresponds to the grading periods at the high schools operating on a 7-period schedule. At the end of the grading period, all Tardies/Late Absences ***shall*** start over. This follows Bay District School's policy of progressive discipline and is designed to enhance student attendance and achievement.

**Parent Notification:** Every attempt will be made to notify parents of each absence of their student through use of the Parent Link automated dialing system. However, failure to successfully notify parents will **NOT** negate the attendance policy.

**Absence During Exams:** Any student who signs out or is absent during a term exam due to illness may be required to bring a doctor's note in order to make up the exam. Those absences not verified by medical statement from a licensed physician will be subject to administrative review on an individual basis. All arrangements for make-up of term exams must be made within five (5) days of absence.

**Falsification of Attendance Information:** Falsification of attendance information (reason for absence, forged signature, unauthorized use of medical stationary, incorrect telephone number or mailing address, etc.) by students or parents will result in the denial of any absence appeal.

### **WITHDRAWAL FROM SCHOOL**

Any student withdrawn from school may not re-enter that term unless he/she has the permission of the principal. Any student wishing to withdraw should report to the guidance office.

### **HEALTH CERTIFICATES**

All students must have a completed Florida Certificate of Immunization as required by Florida Statutes to attend school. In addition, all freshmen are required to have a physical examination and have on file a record of such examination. This also applies to any new student entering Mosley High from an out-of-state school.

### **MEDICATION**

If it is necessary for a student to take any form of medication while at school, Permission to Administer Medication Form must be obtained in the attendance office, signed by the prescribing physician and parent or guardian, and returned to the attendance office. Storing and dosage accommodations must be made through the office. Students are allowed to carry and self administer epi-pens or metered dose inhalers with parental and physician written authorization.

## **DISCIPLINE POLICIES**

All students suspended from school may not attend any school function, nor come to the school until suspension is completed. Essentially there are two types of student misconduct. The first behavior invokes informal disciplinary procedures, while repeated behaviors qualifying for informal disciplinary measures or more serious misconduct requires formal disciplinary procedures.

**Grounds for Disciplinary Action:** Since misconduct of any degree or frequency is undesirable and not conducive to a positive learning environment for all, students should understand that certain consequences are applicable to their behaviors. Because some behaviors are more serious and disruptive than others, the frequency, nature and degree of the misconduct will determine the specific disciplinary action which shall be taken. The following is a non-exhaustive list of behaviors for which disciplinary action of some type will be taken.

**Behavior Qualifying for Discipline Based upon a Zero Tolerance Policy:**

**Drug and/or alcohol abuse:** Any student possessing or under the influence of any controlled substance under Chapter 893, Fla. Stat., any counterfeit controlled substances as defined in §831.31, Fla. Stat., model glue or other inhalant, or any over-the-counter or prescription drug, medication, supplement, or alcohol or commercial non-alcoholic beverage as advertised by the beer and liquor industries, or the possession, use or sale of any paraphernalia designed for use of such substances except under the direction of a licensed physician for said student, shall be immediately suspended for ten (10) days from school, and required to seek immediate professional substance abuse counseling, when such violation is verified by school administrator.

1. Upon verification of substance abuse counseling from the counselor, the school administrator may reduce the suspension to five (5) days.
2. However, failure to complete counseling will result in the immediate reinstatement of the remaining part of the ten (10) day suspension not previously served.
3. A repeat violation of this policy will result in an immediate ten (10) day suspension and a recommendation of expulsion to the school board.
4. When the violation is for transferring or selling drugs, the student will be recommended for expulsion.

Behavior which shall result in a ten (10) day suspension and expulsion and **referral for criminal prosecution**: Homicide (murder, manslaughter); sexual batter; armed robbery; aggravated battery; battery or aggravated battery on a teacher or other school personnel; kidnapping or abduction; arson; possession, use, or sale of any explosive devise; the unauthorized alteration or changing, or aiding and abetting or participating in the alteration or changing of a student's grades or attendance records.

Any threat, regardless of the location from which it is made, to throw, project, place or discharge any destructive device with intent to do bodily harm to any person or with intent to do damage to any property of any person, OR the making of a **false report with intent to deceive, mislead, or otherwise misinform any person, concerning the placing or planting of any bomb, dynamite, or other deadly explosive**.

**Parents, guardians, and adult students shall be financially responsible for any damage done by students to property.**

**Informal Disciplinary Measures**

References to such misconduct, of course, involve a matter of degree, and some behaviors are more serious than others. The following is a list of possible alternative solutions and other actions deemed necessary by an administrator or teacher.

- Verbal Correction
- Counseling by teachers, student services personnel, and/or counselors
- Contacting parents through notes, letters, phone calls, e-mails or conferences
- Administrative warning and/or probation
- Detention
- Changes in class or teacher assignment
- Withdrawal of school privileges

- Assigning school clean-up services
- In-School Suspension

Repeated occurrence of such violations will be dealt with in the same manner as misconduct of a more serious nature which invokes formal procedures.

### **I.S.S. (IN-SCHOOL SUSPENSION)**

As an important part of A. Crawford Mosley High School's comprehensive school improvement plan, the existing in-school suspension model has proven to be a successful approach for effectively disciplining the disruptive student in a positive and supportive environment.

As a dropout prevention initiative, the ISS class is a proven discipline strategy which serves students by offering them the chance to overcome a potentially negative learning situation with a positive one. Through this program, a student "voluntarily" agrees to attend the in-school suspension class in preference to receiving an out-of-school suspension from an administrator or dean at our school.

Currently, the in-school suspension assignments are given for 3, 5, 7, or 10-days each.

The decision to attend the in-school suspension class benefits the student in several important ways. These benefits include, but are not limited to: attendance, academics, improved self-esteem, improved self-discipline, and permission to participate in extra-curricular activities. For attendance purposes, the student who chooses to attend the ISS class is not marked "absent" from school. Academically, this option permits the student the opportunity to continue to receive full credit for all class work completed and returned to their regular academic teachers. Students in ISS may also be allowed to participate in extra-curricular activities. (This is solely the decision of the specific extra-curricular activity's faculty sponsor or coach.)

Students who attend the ISS class are required to "start and finish" their in-school suspension assignment. Additionally, the individual student is responsible for staying on-task and following all rules. These two requirements are clearly and consistently communicated, repeated, reinforced, and enforced at all times for all students.

Students who do not complete their ISS suspension assignment will be immediately reassigned to an out-of-school suspension. District policy states that students who receive an out-of-school suspension are marked absent (unexcused) and may not participate in extra-curricular activities.

The role of the program administrator (teacher or paraprofessional) in the in-school suspension classroom is threefold. That is, to serve the students as a disciplinarian, a tutor, and a counselor.

As a disciplinarian, the program administrator explains, clarifies, and enforces the rules that have been implemented to insure the integrity of the in-school suspension program. The rules that have been established for the ISS class are administered in a fair and consistent manner for all students. As a tutor, the teacher or paraprofessional assists the student with problems they may be experiencing in academic areas. This includes assisting all "special needs," "regular," and "gifted" students. As a counselor, the program administrator offers the student the opportunity to discuss the specifics of the violation(s) that led

to their suspension. Additionally, they may suggest or assist the student in formulating possible alternative behaviors or solutions for future situations the students may face upon returning to their regular school environment.

Once a student agrees to attend or is assigned to in-school suspension, the student's academic teachers are notified. Upon this notification, these teachers assemble and send the appropriate assignments, books, and/or materials for their ISS students to the in-school suspension teacher or classroom. Students are expected and required to stay on-task at all times. It is the sole responsibility of the ISS student to complete and return all assignments to their academic teachers for assessment. The student will receive the grade of "0" for any assignments NOT RETURNED as required.

The administration and faculty at Mosley agree that the strong, effective ISS program at our school is a successful dropout prevention strategy that benefits everyone in the educational community by meeting or exceeding program objectives.

### **Formal Disciplinary Measures**

Behavior qualifying for Formal Discipline Measures may result in any of the disciplines under Informal Disciplinary Measures, Corporal punishment, Out of School Suspension, or Expulsion, as deemed appropriate.

**Criminal Referrals:** Some of the violations of school rules are also violations of the laws in the Criminal Code of the State of Florida. If students violate these laws, they will be subject to suspension from school and other more serious actions. All felonies and violent misdemeanors, whether committed by a student or adult, and delinquent acts that would be felonies or violent misdemeanors if committed by an adult, shall be reported to law enforcement. ## **SECTION 504 PROCEDURAL SAFEGUARDS, GRIEVANCE PROCEDURES AND IMPARTIAL HEARING**

Parents/guardians must be advised of their rights with respect to Section 504 of the Rehabilitation Act of 1973. They should also receive notice and give consent whenever their child is evaluated, identified, or is involved in a significant change of placement. All decisions made about a student should be based on information acquired from a variety of sources and provided by individuals knowledgeable about the student, the evaluation data, and the placement options. Parents/guardians also have the right to examine all relevant records relating to decisions involving identification, evaluation and placement. Parents/guardians have the right to request mediation, file a local grievance or request a due process hearing to resolve issues relating to the identification, evaluation or placement of their child. These three complaint processes are separate, distinct, and voluntary.

### **MEDIATION**

When parents/guardians request mediation with respect to the decisions of the Section 504 Intervention Team or Child Study Team considering their child for Section 504 eligibility and/or the recommended accommodations, the request should be given in writing to the school principal who will attempt to resolve the issue within ten (10) school days of the receipt of the written request. The school principal will consult with the Section 504 Coordinator to help resolve complaints.

### **GRIEVANCE**

Should an attempt to mediate prove unsuccessful, parents or guardians have the right to a District-level grievance process accomplished by filing a written complaint to the District's Section 504 Coordinator. Use of this procedure is not a prerequisite to the pursuit of other remedies and use of this procedure does not extend any filing deadline related to the pursuit of other remedies. The purpose of Section 504 Grievance Procedures is to settle equitably, at the lowest possible administrative level, differences and issues relating to discrimination against students based on Section 504 of the Rehabilitation Act of 1973.

These proceedings shall be kept as informal and confidential as may be appropriate at all levels of procedure.

### **IMPARTIAL DUE PROCESS HEARING**

Parents or guardians also have the right to voluntarily request an impartial due process hearing at any time. They may do so without first seeking mediation or filing a district level complaint/procedure. An impartial due process hearing shall be conducted through the Florida Division of Administrative Hearings (“DOAH”) pursuant to the Florida Administrative Procedures Act (FS Chapter 120). DOAH follows the Uniform Rules of Procedure, which may be accessed at its website. To obtain a due process hearing, a written request should be made to the Section 504 Coordinator. Parents or guardians and the school district have the right to examine all relevant educational records of the student, call and examine witnesses, provide testimony, and to be accompanied and advised by legal counsel in any due process proceeding and any related appeals.

The District will contract with the Division of Administrative Hearings (DOAH) to appoint an Administrative Law Judge (ALJ) as a Due Process Hearing Officer. Upon receipt of a written request for a due process hearing, the District will schedule such a hearing within thirty (30) school days. The Recommended Order of the Hearing Officer will be communicated to all parties within ten (10) school days of the hearing date.

Please note that if you seek a due process hearing under Section 504 of the Rehabilitation Act of 1973, and the relief sought is also available under the Individuals with Disabilities Education Act (IDEA), then the due process hearing will be processed under IDEA procedures since if the matter would later be pursued in Federal Court, such a Court would need to have the IDEA claim before it jurisdictionally in order to be able to review a Section 504 claim.

Parents or guardians may request a review of the Due Process Hearing Officer's Recommended Order by the full School Board as final administrative action. The School Board cannot reject or modify the findings of fact made in the recommended order of the ALJ unless it determines that the findings have *no* basis in fact or that the proceedings on which the findings were based did not comply with essential requirements of law. Any party aggrieved by the findings and decision in the hearing may obtain review by bringing a civil action in any State court of competent jurisdiction or in a District Court of the United States.

### **OFFICE OF CIVIL RIGHTS ASSISTANCE**

Parents/guardians may at any time also request mediation or involvement by the Office for Civil Rights, the federal agency charged with the enforcement responsibility for Section 504. Efforts should be made to assist parents/guardians to resolve disputes on a local level as a first priority. The Office of Civil Rights may be contacted at: United States Department of Education, Office for Civil Rights, 61 Forsyth Street, SW, Suite 19T70, Atlanta, Georgia 30303, Voice Phone: (404) 562-7886, FAX: (404) 562-7881, TDD: (404) 331-2867
